## Admissions for 2026-2027

Acceptance into an undergraduate music degree program is contingent upon both admission to WVU as an undergraduate student and a successful performance audition. Auditions are held from late fall through the early spring semester. For maximum scholarship consideration, students are encouraged to complete the application (including audition) before March 1. Audition information can be found on the College's website or by contacting the CCAM Office of Recruitment at (304) 293-4339. Special accommodations may be made by contacting the School of Music at (304) 293-4532 or Music@mail.wvu.edu.

For admission consideration, all students must submit separate applications to the University and to the School of Music. The audition is a preliminary assessment of a student's potential for success. For the Bachelor of Science in Music and Health, students must audition at a minimum performance level four. If a student is admitted, their standing is confirmed or revised after the first semester of study.

Students should own their own instrument under normal circumstances (except for piano).

1. Apply to West Virginia University (How to Apply (<https://admissions.wvu.edu/how-to-apply/>))
2. Audition for the School of Music (Apply Now (<https://wvucca.wufoo.com/forms/w1qjwnk21fcr23v/>))

Acceptance into an undergraduate music degree program requires admission to WVU as an undergraduate student and a successful audition and/or interview. The audition and/or interview is a preliminary assessment of a student's potential for success in their intended major.

- BA Music - audition required
- BA Music Business and Industry: Applied Music Emphasis - audition required

- BA Music Business and Industry: Multi-instrumental Emphasis - interview required (no audition)
- BM Composition - audition and portfolio review required
- BM Music Education - audition and interview required
- BM Music Therapy - audition and interview required
- BM Performance - audition required
- BS Music and Health - audition required

Students who cannot attend one of our regularly scheduled audition days should contact the School of Music at: (304) 293-4532 or Music@mail.wvu.edu.

Music majors can change from one music curriculum to another with faculty approval, particularly during the freshman or sophomore year, without significant loss of course credit. Students are encouraged to explore and follow the curriculum for which they are best qualified and in which they can achieve the greatest success. Evaluation of students' work by the School of Music faculty informs these decisions. If students wish a broader, liberal arts-oriented program, they may pursue a Bachelor of Arts (BA) in Music.
