Minor Contact

- Physics/Astronomy Undergraduate Advising Chair (physicsugradadvising@mail.wvu.edu)

Minor Code - U087

Physics majors may complete an astronomy minor, provided the ASTR courses counted toward the minor are not counted as electives toward the physics major. A minimum grade of C or better is required in each course counted toward the minor.

Students must earn a minimum overall GPA of 2.00 in all courses applied to the minor.

Code	Title	Hours
Core Courses:		
PHYS 111	General Physics 1	4
PHYS 112	General Physics 2	4
PHYS 314	Introductory Modern Physics	4
Upper Division Electives: *		9
Select three electives from any ASTR courses numbered 300 and above.		
Total Hours		21

*

An ASTR course applied toward an ASTR minor may not be counted toward a PHYS minor.

**

Courses PHYS 490, 491, 493, 494, 495, 496, and 497 cannot be applied to the minor requirements.
